

## Concert Uniforms

The Band Boosters are dedicated to supporting both the band and you as we navigate all the many events throughout the year. This includes making sure you have all the information you need in order to make sure your student is properly attired and prepared for each event. One of the most important needs for every member of the band program is the concert uniform that will be worn for most performances throughout the year. Please check out our calendar at [grizzlyband.org](http://grizzlyband.org)

Following is a description of the uniform that is to be worn by each of the members of the various bands.

### Concert Band, Symphonic Band and Jazz II:

Students have two options:

Option 1: Black dress slacks, a black long-sleeved button-down shirt, black belt, black socks and solid black dress shoes. All to be acquired by student on their own.

Option 2: One of 3 full length black dress options provided, black tights or nylons and solid black dress shoes. Dresses may be altered for sizing needs only (hem and/or taken in). No other alterations are allowed. No other dresses allowed. Pictures of the styles are attached and cost between \$55-\$65. We have purchased a sizing line and have started to fit students during Grizzly band camp. We'll also be able to fit students during the first full week of school.
