- So far only one volunteer for the Concessions for Wednesday's game. We will need at least 3 per game.
- Joel, at the Snohomish Jazz Festival, wants to get started working on planning and wants to get in contact with Mike. We pay Joel, (he is our Jazz 2 instructor) We will also pay 4 or 5 judges, this should already be in the budget. We make a lot of money from concessions, so we need to make sure we have good stuff to sell. Darci will head the concessions for that fundraiser.

**Fundraiser Report: Darci Halverson**

- Applebee's Fundraiser is coming up, Darci is having trouble getting information from them. If we can't get in contact with hem, we may have to move the date.

**New and Unfinished Business:**

Lettering 22-23 year. What will it take to earn a letter this year: Per Tadd, 150 points and 5 of the 10 basketball games.

Looking forward to next year, band camp and fees:

Should we increase the fees for Grizzly Band/Camp next year?

Do we want to offer people the chance to order and pay for individual pictures when they register to save on all the confusion at camp?

Per Mike, we are out of the Polo and Dress ordering business. Jot Forms will be on the website and Kimberly will work with Jason Grant to get the jot forms updated and on the web site. The vendor is setting up his website so parents will order and pay directly on his site. Tadd will send out all the information for the first week of school through skyward.

When should we start planning for band camp? Table for next meeting.

Next Meeting overlaps with Valentine's Day, what day do we want to move it to February 7 instead.
